

Core Church L.A Worship Ministry Audition Information

Thanks for your interest in participating in the worship ministry here at Core Church Los Angeles. Worshipping the Lord through song is an important part in the life of the Church. Periodically, auditions are scheduled in order to meet those committed Christian musicians whom the Lord is raising up in our congregation.

In order to receive an audition time:

- You must have been a Christian for at least one year.
- Core Church L.A must be considered your home church.
- Must at least been attending Core Church L.A for 3 months
- You must have completed the Christian Growth class.
(You may audition and take this class at the same time.)
- You must have completed a current Ministry Questionnaire and Music Ministry Questionnaire. Turned in before the audition date.

Once a Ministry Questionnaire and Music Ministry Questionnaire have been completed and returned to me , you will be contacted in order to schedule an audition time. Due to the limited number of audition times, we may not be able to accommodate everyone on the initial audition date. If that is the case, you will be contacted with a secondary audition date.

Please plan to arrive 15 minutes prior to your audition time. You can expect immediate feedback in regards to your ministry placement following your audition.

We will be in prayer for each of you beforehand, that the Lord would bless the time. We look forward to meeting you at the auditions. If you have any questions, please feel free to email me at George@Corechurchla.com. May the Lord richly bless you!

Vocal Auditions:

During your audition, be prepared to sing one song of your choice on a microphone. Please choose a song that will best represent your vocal abilities. You will also be emailed 3 additional song to be sung on that day.

Past experience has proven that singing to a vocal track is the optimum choice for the auditions. Singing acapella is discouraged. Music tracks are available for download at iTunes.com, or they can be purchased at various Christian bookstores. Accompaniment on piano or guitar is also acceptable. (Please note, you must supply your own tracks or accompanist.) A microphone and audio playback of the track will be provided.

Due to time constraints, you will not be able to sing your song all the way through during your audition. You will also be asked to sing with someone from the worship ministry, to harmonize and to pick out a part by ear.

Band Auditions:

When we schedule your audition, you will be given the resources for several songs that you will be asked to play at your audition. Please be prepared to follow the music and play with the band.

Keyboards, guitar amps, bass amps, and drums will be provided for the audition. You will, however, need to bring your own personal instrument (guitar, bass, drumsticks, etc.)

Due to time constraints, not every song will be played all the way through during your audition. You will also be asked to play through a song that is not included on the website.
